You've Come a Long Way ---- Baby!

Yes, Wouldn't you agree that Joseph City High School has taken some steps of progress? After being a two year high school for many, many years, Joseph City has finally make it as a full-fledged high school. New things have come our way. The Juniors became Seniors, thus making the first Senior Graduating Class. New building and new classes were added as a result of our High School. Teachers and students have come and gone our way. We've come a long way in sports. After many years of practice, and experience J.C.H.S. is producing winning teams in the field of sports. There had been doubts and many "I don't know's"about our high school, but I think we're going to make it. We the Yearbook Staff of 1972 will try to present this yearbook the traditional and the new things which have made our High School. So, in the beginning we would like to say - You've Come a Long Way -- Baby!--- **Yearbook Class 1972**

ON A COLD AND WINDY DAY J.C.H.S. CELEBRATES HOMECOMING

Joseph City High School celebrated its first homecoming this year. On that day, the Wildcats defeated the Seligman Antelopes in a great football game. At half-time the Homecoming Royalty was announced. The King and Queen from the Senior Class were Neil Westover & Connie Young. The attendants from the Junior class were Ron Hansen & Cindy Fish. Sophomore attendants were Layne Miller & Patty Thompson and Freshmen were Bill Morris & Nettie Yarrison. Mr. Couch crowned the Queen and presented her with roses and congratulated the King. The other girl attendants received a red rose. That night there was a Homecoming Dance. Music was provided by "Rick and the Entire World" a band from Gallup, New Mexico. "Wildcat Day" and Homecoming 1972 was quite a success and will be remembered for a long time to come.--- Yearbook 1972

The First Senior Class of JCHS Graduates --- at Last!

On Friday, May 26, 1972 Joseph City High School graduated their first Senior Class in the history of the school. The class consisted of eleven graduates, six girls & five boys. The guest speaker for the evening was Mr. S.G. Hatch, a former teacher of JCS. Beverly Edwards gave the Salutatorian address and Terri Despain was Valedictorian. Mr. Bennett presented the Class and Mr. Newell Turley, President of the Board of Education, presented the diplomas to the graduates. After receiving their diplomas the Class sang the "Alma Mater."

FRESHMEN INITIATION 1972

Initiation for the Freshmen began Tuesday, September 7, when they were auctioned off to their upperclass. The bids ranged in price from a low of 25 cents to a high of $7.10. On the following day Sept. 8th, the Freshmen came to school clad in the garments that were suggested by their masters. The morning activities consisted of mowing the football field and pulling the weeds around it. At 1:00 P.M. everyone marched to the "J" to give it it's whitewash for the year. After this task was completed the 9th Graders became the official Freshmen of J.C.H.S.

It has been a joy to work with the Junior High Student Council. There are a lot of dedicated students representing our student body this year. These students have been willing to take on extra work, as well as attending meetings that require giving up their lunch hour.

Our president is Kaci Palmer who has been great to help me, reminding me that we need to have planning meetings and then showing initiative by getting activities organized for the students to help our Junior High become more unified as well as add a little fun to our school days. Our vice president is Sahzira Schoby, secretary is Avril Coronado, and our social secretary is Rosemary Fischer.

This is the first year since COVID that we have been able to sell suckers, have mid-year dances, and be more consistent with participation in the school pep assemblies. It has been great to see the students enjoying these activities again, and just being able to enjoy their youth! We look forward to our end of the year luncheon for students and staff, and of course, the relaxing, fun trip to the Sun Splash for the hardworking student council.Thanks for the fun and hard work!

This year the student council started off the school year with delicious smoothies for the whole student body. After that we had a fun pep assembly, introducing all our fall sports teams and playing some fun games. One of the highlights was when some football players were blindfolded and had to guess what cheerleader kissed them! ;) They were sweating bullets until we removed the blindfold to reveal that it was their mothers! ☺ We kicked Homecoming week off with a spirit week, where we dressed up like we were from the 60's, 80's and 2000's. We had a GROOVY 70's dance after the Friday night football game. We kept school spirit alive with another pep assembly where Jaydianna (8th grader) beat Kaden (12th grader) in the cup game - proving that being small and quick has it advantages! To bring our school Christmas spirit, we dressed up in our PJ's for Mrs.Bushman, and wore Christmas hats, socks and our ugly sweaters. Love was in the air for Valentine's day with a contest of class posters and hot chocolate delight for everyone which was followed by a Valentine dance. After a chaotic week of school activities, bubbles were floating in the Palmer's back yard for our Sadie Hawkins dance. All in all this year was a blast! We would like to wish the class of 2022 good luck in their future endeavors. Have a safe summer -

WELCOME TO
JOSEPH CITY

Autumn shows us how beautiful it is to let things go!

A beautiful life is a collection of unforgettable moments!

It has been a busy, fun-filled year with many unforgettable moments! What a challenge it has been to try and capture all the important, fun and memorable moments throughout our school year, but this group of students made it happen! Thank you for working hard, taking great photos & making our yearbook something special that we can all enjoy and reminisce about the memories of 2021-22!
Time moves forward, but memories move backwards!
Thanks for the memories!

The 2021 football season started with an on campus summer football camp; many of our football players participated in this camp that was an exciting kick off to our season. This season the Wildcats football team boasted a team of ten seniors and eight juniors. This was the most student-athletes participating in football in the past five years.

As the season games kicked off, the Wildcats hosted non-conference foe, Anthem Prep for their first game. There were many exciting moments in this contest offensively, but the Wildcats fell 56-52. The Wildcats next game had been cancelled because of Covid-19 issues, but on Thursday Lincoln Prep that has also had their games cancelled on Wednesday called to see if we would be interested in playing 24 hours later; we agreed and traveled to the valley and lost 30-6. Our third game was against salome in an afternoon later; we lost 34-20. In the fourth week of the season, the Wildcats were again on the road to Desert Heights. The Joseph City team notched their first win of the season 32-22 behind remarkable individual performance by running back T.J Westover with five touchdowns and 173 yards rushing. Owen Beatty also had 127 yards rushing and 2 touchdowns. In the fifth week of the season, El Capitan rolled into town. The Cats played well at times, but the game slipped away in the fourth quarter and lost 56-42. The sixth week of the season The Wildcats welcomed Mayer to Joseph City for 2021 Homecoming. The Joseph City team played their best game of the season and came out on top 48-14. Blake Palmer had an outstanding game offensively leading the team in rushing, passing, and tackled. In the final three weeks of the season, the Wildcats played conference rivals Williams and Mogollon losing to both top ranked team in 1A. The Wildcats also lost to Fredonia 44-30 after leading in the fourth quarter 30-16 with eight minutes to play. Six of the Wildcats losses were to opponents ranked in the top 16 of 1A schools. Joseph City played one of toughest schedules in the state and completed every Friday night with chances to win five of the seven losses. The Joseph City boys provided many memorable offensive moment during the 2021 season; however, the final record was 2-7.

As 2021 fades into the annals of history, the Wildcats' coaches and team want to thank all the parents for their support of this 2021 team. We want to thank all the volunteer coaches who assisted the Joseph City football team in 2021: Eldon Larsen and Latrell Kinlicheenie. Thanks to the Junior High coaches: Caleb Layden and Aaron Johnstun for their help on Friday nights. Also special thanks to Athletic Director dan Hutchens and all the administration of Joseph City.

Next year the Wildcats will return 8 seniors, 3 juniors, and 6 sophomores who gained valuable playing experience in the 2021 football season. Head Coach Shawn Layden and Assistant Coach Dan Bushman are looking forward with great anticipation for the start of 2022 football season. With the 2022 football season just around the corner, next year looks to be a promising campaign. - Coach Shawn Layden

This 2021 season was another amazing season! So much growth for everyone. Freshman and JV teams had to deal with a lot of different coaches and rolled with it... both ending their season with more wins than losses, and Varsity... we made it to the semi-finals and beat teams we haven't beat in quite a few years. We studied a book, made (and smashed) goals and grew as a team. We had many bonding moments where you guys became a family. You are strong group of girls... mentally and physically and I can't wait to see what the future brings to eachone of you. DRIP! - Coach Charlsye Miller.

SENIOR SAMUEL

RUN! RUN! RUN! RUN!
This year we had enough athletes to have a full boys and a full girls team - a first for Joseph City. We had a lot of new runners that made a great impact on the dynamic of our team. Our girls team, led by veterans Abi Smith, Jasmine Nells, and Ava Hancock were joined by two freshmen: Lacy Deets and Penelope Neat. These girls are fierce competitors! Our boys team, led by captain Samuel Neat, included a top tier number 2 runner Bryce Bushman, followed by Bannon Johnstun, Kaysen Miller, Peter Miller, Cory McLaws, Corbin Packer, Cove Searle, and Bridger Fields. We had high hopes for both teams qualifying for state. Then came the injuries, so many injuries! Broken foot, broken leg, broken back, sprained knees, concussions, you name it, we had it. It was very hard mentally to overcome these challenges. With our top two boy runners out most of the season, we watched a miracle take place as new leaders stepped up and became the emotional backbone to our team. There were so many ups and downs. Our season ended with Samuel making an emotional return at sectionals to qualify for state. "No pressure, just run your race," became an iconic, season defining mantra. Bannon qualified for state and our freshman Phenom Penelope Neat also qualified for girls state. In the end, Samuel medaled and took 20th in the state meet with a time of 17:48.
Special thanks to Coach Gayla Smith and volunteer Coach Reva Hallman. This year was very memorable and I couldn't be more proud of our runners! Be Awesome! -- Assistant Coach Roland Hancock

The HS boys basketball team had an outstanding season full of hard work and a lot of fun. The team finished the season as the region runner-up. We ended with a 20-10 record and a 12-2 record in region play. The team played with a lot of energy and set the school record for most steals in a season. The team had two separate seven game winning streaks. It was a very successful year.

This high school wrestling season was a season of growth for our program. We welcomed new faces and had our largest team season progressed. We filled 12 weight classes at the sectional tournament. Most of our team was a win away from qualifying for state. Three Joseph City Wrestlers qualified for the state tournament Senior TJ Westover, in his second year, and juniors Joseph Thomas and Owen Beatty. Both Owen and Joseph were a win away from medaling at state. Our team had three senior wrestlers Austin Westover, TJ Westover, and Boston Murdock as well as manager/foreign exchange student Maria Silva. Each of our seniors made a large contribution to the program culture we are trying to build. Their presence and influence will be missed. The hard work and preparation of our wrestlers have our program poised to see greater success in the future. - Coach Fischer

What an exciting year of girls' basketball!! This is a great group of Lady Wildcats who are the epitome of Wildcat Swag. These girls defined success by bringing their best to each practice and each game making it possible to reach the heights that we reached, both individually and as a team. We are grateful for the leadership of our seniors and wish them luck with their future endeavors. We cannot wait to see what next year brings!! QUITTERS NEVER WIN!

The Joseph City baseball season started with a bang as the Wildcats won their opening game against St. Johns 19-4. The Wildcats went to Phoenix Country Day Tournament and played excellent baseball against four 3A schools. Just before spring break, Joseph City Baseball capped of the beginning three weeks of the season by beating Chinle 9-4 to win the Joseph City Invitational Tournament.

At the time this letter was submitted for publication, the Joseph City Wildcats were ranked 6th in the state 1-A conference by the AIA.

Coach Layden and his staff appreciate the leadership and dedication to our baseball team of the returning seniors: Mason Hancock, Karter Lampsa, Tyler Penrod, John Weightman, and Nick Winner. Senior T.J Westover started the season, but due to a knee injury has not been a big part of Joseph City Baseball for the past four years, and the success we have experienced. The players and coaches are looking forward to finishing a successful 2022 baseball season.

Coach Eldon Larsen returned for a seventh year on the staff, and Caleb Layden returned for his second year as an assistant coach. Coach Eldon Larsen and Coach Caleb Layden's contribution to Wildcat baseball is greatly appreciated. The knowledge and experience that Eldon and Caleb have brought to the Joseph City baseball team has made the Wildcats more competitive.

Wildcat baseball truly appreciates the efforts of Sam Johnstun, Dana Johnstun, and Shealyn Buckley who provide a first class baseball game experience.

Thanks to Joseph City administration: Superintendent Bryan Fields, Principal Eric Miller, Athletic Director Danny Hutchens for all the support given to Joseph City Wildcats baseball team.

The High School Softball program is having a wonderful season. At the time of this writing the Varsity team is ranked number 4 in the 1A state softball rankings. The overall record for the varsity team so far is 16 - 6 and the JV team is 8 - 1. We have had some exciting games. The varsity had an exciting win against Thunderbird High School at the Wickenburg Tournament. The Lady Cats were down 8-3, but battled back and won the game 11-3. Twins over Mogollon and exciting victories over Williams and St. Michaels punctuated the beginning of the season. The Lady Wildcats finished in third place in the Joseph City softball Invitational. They are currently first in the region and look to finish in the top two teams in the region and have at least one, if not two games at home to start off the state tournament. This is a great team to work with and we are looking forward to finishing the season strong!

Track & Field 2022 has been a season of great growth and hopes! Samuel, plagued with a stress fracture, has become a "Junior Assistant Coach." He has helped take times for the runner and been in charge of workouts for the distance runners. He has been very helpful and has been a positive example to the team -- THANK YOU SAMUEL! Riley, Chansler & Samuel are our three seniors this year. Junior: Bryce & Freshman: Penelope are qualified for State as of April 12, 2022 with the rest of the team working hard to join them! Our shot put throwers this year are Bridger, Riley & Anthony. Our mid-distance runners are Penelope, Lacy & Chansler. The hurdles are Abi & Bryce and distance runners are Cory & Peter. Peter & Bryce are also our jumpers this year. Last, but certainly not least, is our sprinter Jasmine! So far this season has been very enjoyable, fun and filled with so many laughs & good times.

Two of our favorite memories:

2nd: "Team Camp" under the bleachers with a maze of hammocks!

This was the first year back for cheerleading after a break for a few years. Most everyone was new and had never cheered before. Everyone worked so hard and learned really fast. I was so impressed by the work the girls put into it. We had a very positive year. We had the opportunity to go to the Elementary school and work with some of the 5th grade girls that were making dance teams and having trouble getting along with each other. The girls did a few dances and taught them some cheers, then gave them a really awesome talk about teamwork and being team members instead of being against each other. It was truly a proud moment for a coach to listen to the girls tell their feelings for each other and explain how they work together to make the team learn and do the best they can. I know the 5th graders and the cheerleaders will remember this for a long time. It was so much fun having Elena and Maria on our squad this year. They did not have cheerleading in Germany or Brazil and these girls learned most of the cheers through videos we did. Because of Covid and arriving late, they were not able to attend quite a few practices; however, they did such amazing job learning on their own, when they came to practice they didn't look like they missed one practice!! They are such good cheerleaders and blended in and fit the part so perfectly!! I am so proud of them and their efforts!! Each one of these girls has a special place in my heart and I am so thankful I got to know them and their personalities this year!! I am going to miss my special Seniors but I am looking forward to a new season next year and continuing to learn and work to make the cheerleading program something everyone can be proud of!! This year's football season was one to remember. We had some injuries early on that hurt us but made the comeback wins more exciting for us and the squad. I'm really going to miss my five 8th graders (Amy, Eli, Jaimen, Cort, Cody) that gave their all in the games they played. Some highlights of the season were beating Mogollon (in Mogollon) after being beaten the first time we played. We ended the season on a high note as well. While being in Williams we tied the score at the end 46 to 46. I couldn't have been more proud of our little band of brothers and sister. I also want to thank Ammon Miller and Case McCormick for managing the team by getting all the gear ready for games. I'm excited for the next year and what it will bring for us. The 8th grade team had a really exciting season this year. They were just one win away from being able to compete in the White Mountain League Championship game. They earned an overall record of 8-2. The only two losses were close games with the White Mountain Champion team of Round Valley. The team secured exciting victories over Snowflake, Holbrook, Show low, St. Johns, and Payson. One of the most exciting games was the game against Show low. The Wildcats were down by five runs going into the last inning. The wildcats scored six runs in their final at bat and then held the Cougars to three up and three down in the bottom of the inning to secure the victory. The 8th grade team consisted of all 8th grade students for the first time in a long time.

THIS BASKETBALL SEASON WAS A SEASON FULL OF GROWTH AND BUILDING TOGETHER. AT THE BEGINNING OF THE SEASON WE SET GOALS TO IMPROVE SKILLS AND WHAT WE WANTED TO ACCOMPLISH, AND AS THE SEASON WENT ON WE ACCOMPLISHED THAT. OUR 8TH GRADE TEAM HAD A RECORD OF 8-2. EACH OF OUR GAMES WE LOST WERE ONLY LOST BY A FEW POINTS. ONE OF THE HIGHLIGHTS THIS SEASON WAS IN OUR GAME AGAINST SHOW LOW WHEN WE HIT A BUZZER BEATER AND WON THE GAME BY ONE POINT! EACH GAME THAT HAS BEEN PLAYED HAS HAD US ALL ON THE EDGE OF OUR SEATS! THIS TEAM BECAME A FAMILY AND WORKED HARD TOGETHER! It is my pleasure to write about this year's 8th grade team. We ended the season with a 8-4 record. We took 2nd place at our Joseph City Tournament. We went into the end of the year tournament ranked 3rd in the White Mountain league. The highlight of our season was beating Winslow in the semifinals in three sets. We lost the first set, but battled back to win the next two. We lost to a very talented Snowflake team in the championship game. I am very proud of our second place finish. These girls never give up. They always give their best in games and practice. They will be fun to watch in high school. -Coach Edwards

JH VOLLEYBALL

What an exciting year it was for 7th grade volleyball! We started strong with wins over Mogollon, Rim Country, and Holbrook. We then hosted a 7th grade tournament where we played St. Johns, Snowflake, Round Valley, and Blue Ridge. The girls played hard and won the tournament! We finished the season with wins over Winslow and Show Low. We only had seven girls on the 7th grade team, and were blessed to have the 6th graders step up and help us out when we needed them. It was a lot of fun to coach a team with so much talent and love for the game. The girls were all so supportive of each other, and we had lots of fun strengthening our skills on the court. All of the girls really stepped up this year, played their best, and finished the season undefeated with a 9-0 record. Way to go 7th grade volleyball!

Andy Foree -- Director

"Don't make a deal with a devil" is a phrase often used when you're faced with a decision that might be too big for you to handle. In this musical production, the main character Seymour does just that. When faced with insurmountable odds and problems, how does he react? Would you react the same? While this musical is over-the-top and fun, we can still learn valuable lessons applicable to our own lives and world. Just remember:

DON'T FEED THE PLANTS!!!

We are so proud of you! The 18 years have flown by. You have become quite the young man. These last four years you have shown everyone how all of your hard work and determination have paid off. You are such a loving, caring cousin. All the littles love you. We will always remember the fun times and silly things you do to make us laugh. Keep reaching for your dreams. No matter what you pursue in life, you will be the best.

We love you so much! Miss the beard!

Love, Grandma & Grandpa

We are so blessed to have you as a Son! You bring much laughter, joy & frustration to our lives! We are thankful for your sense of humor and silly laugh! We are so proud of your accomplishments this far and can't wait to see what else is in store for you. Go out and make yourself even more amazing. Experience all the good things that interest you and keep that "No Fear" attitude! Tackle everything with your football mentality and you will either score or learn. Or better, BOTH!!

We love you so much!!!

Coach Mike Sterkowitz has coached high school (both varsity and JV) and many JR high sports for more than 30 years! He served as the Joseph City JR/SR High School athletic director for close to 15 years. For a good portion of his time as athletic director, he served as the president of the 1A North Region. He also served as the president of the 1A conference. Mike is held in high regard by other athletic directors from around the state of Arizona. He has done much to help advance athletics for the small schools of the 1A conference.
